

## Cry Wolf

Jake Barton is an American engineer, Gareth Swales a stylish Englishman with a nose for a quick deal. Both have always moved from one escapade to another. Now, as Mussolini prepares to annihilate the people of Ethiopia, the two adventurers come up against Vicky Camberwell, a beautiful but fiery reporter bent on espousing their cause. Striking a bargain with a beleaguered Ethiopian prince, the trio dares to run a gauntlet of guns and a batch of run-down armoured cars in a final, desperate gamble for freedom.
