

Beginning to Read: Phonics for Reading Teachers Guide (Cambridge Reading)

This book offers a phonics programme to support the requirements of the Reception Year. In particular, the phonological awareness, phonics and spelling element of the word level work in the National Literacy Strategy are covered. Part 1 gives specific guidance on developing phonics using Cambridge Reading. Part 2 contains teachers notes and a photocopiable worksheet for each of the childrens books. The teachers notes give detailed suggestions for whole class sessions (shared reading), and ideas for group reading (guided reading) and independent activities.
