

Jean of the Lazy A (Illustrated)

A man is found shot dead in the kitchen of the Lazy A ranch, and in an absence of other evidence, ranch owner Aleck Douglas is convicted of the crime. His daughter Jean is absolutely certain that he is innocent of the crime, but has no factual evidence with which to prove that her father has been wrongly convicted. With a rapidly dwindling bank account and no clues to speak of, will Jean find a way to free her father and get her old life back?
