

Querido e insoportable lector: La bazofia que tienes en tus manos es una autentica joya, o, por el contrario, la joya que tienes en tus manos es una autentica castana. Ademas, pelada y tostada, inversa o directamente proporcional a una mala digestion. De usted dependera apoyar las posibilidades o crear las impertinencias. En los textos de este libro, encontrara la reflexion de alguien como usted, quien evaluara los dichosos dialogos mentales a los que hace referencia nuestra mente, presa en una sociedad exigente y asfixiante, a fin de conseguir abrir la puerta a la entrada de aire puro. Con todo, cobrara vida un mundo imaginario, creado con la finalidad de distraer, en donde las segundas oportunidades, a la vez que la ambivalencia afectiva, estara presente en todo momento. Unos personajes tremendamente humanos jugaran con su pulsion de vida y su pulsion de muerte, acompanada de la dicha humana por la que toda prohibicion aboca en la tentacion de la probatura, tal y como senala el Genesis sobre la desobediencia del hombre. ¿Quien encuentra hoy en dia un mensaje sin dualidades ni tintes subliminales? ¿Quien no se plantea dilemas a lo largo de su vida? ¿Quien consigue claridad y esperanza en sus actos? ¿Quien no escucha una voz interior que plantea el exito a la vez que el fracaso de una tarea? No lo hagas, hazlo. Sal, entra. Escucha, escribe. ¿Bueno o malo? Un romantico nos descubrira que aquello que podria haber sido en muchas ocasiones, finalmente, para deleite de todos, fue y bueno. Guillermo Tormo Gimeno
