

Rampur ka Pradhan (Hindi language)

..... Devraj is an epitome of squashed moral and sordid character, who gobbles up all the money sanctioned for the development of village Rampur. Devraj owns bus service, fertilizer store, hotel and engineering college. He plays similar devilish tactics in all businesses... Due to fully commercialization of politics, seeing abundant opportunities to make money in this, Devraj is focusing his vision on this business. In his plan of execution, in place of his elder brother, Devraj appointed a dalit farm laborer Gangu as village chief, but dignified and self-respectful Gangu didnt let Devraj succeed in his nefarious schemes, instead, He appointed twenty one year old Muskaan as Shikshamitra. Muskaans dedication and loyalty towards her work exacerbated Devrajs desperation. Utterly frustrated Devraj orchestrated a horrific conspiracy and therefore humungous pandemonium shrouded village Rampur..... Kuldeep Mohan Sharma is a native of Uttar Pradesh and a software engineer by profession. He lives in Boston city of United States with his family. He works in technology department of a financial institution. Although he is physically thousands of miles away from India, but his heart is not even an inch far from India.
