

## Playing Hard To Forget

Ethan Robertson never asked to be the latest in a long line of werewolf hunters, but the war between his family and the werewolf Kinnairds has raged on for a millennium, and he is expected to fight like all the Robertsons before him. But then he meets Liam Kinnaird, a gorgeous, mysterious werewolf Ethan falls hard for. Despite the danger, they carry on a torrid affair until a terrible explosion destroys everything, including Liam and Ethans memories of their time together. Twenty years later, Ethan is embroiled in battle once again and catches a glimpse of Liam. It triggers intense, erotic dreams that Ethan thinks might not be dreams at all. But hes never been anything but enemies with Kinnairds. Hes certainly never been in love with one. Or has he?
