

Louroux, mardi 3 septembre 1822[1]. — Je mets a execution le projet forme tant de fois d'ecrire un journal. Ce que je desire le plus vivement, c'est de ne pas perdre de vue que je l'ecri pour moi seul. Je serai donc vrai, je l'espere ; j'en deviendrai meilleur. Ce papier me reprochera mes variations. Je le commence dans d'heureuses dispositions. Je suis chez mon frere ; il est neuf heures ou dix heures du soir qui viennent de sonner a l'horloge du Louroux. Je me suis assis cinq minutes au clair de lune, sur le petit banc qui est devant ma porte, pour tacher de me recueillir ; mais quoique je sois heureux aujourd'hui, je ne retrouve pas les sensations d'hier soir... C'etait pleine lune. Assis sur le banc qui est contre la maison de mon frere, j'ai goute des heures delicieuses...
