

As the caterpillar turns into a butterfly, so can we transform our lives. Through focused intention, experience and working with the laws of attraction, author Shawnah Sky left behind a life of abuse and misfortune. Her story teaches how to find answers and the God within us all. This book blends the teachings from a 35,000 year old consciousness known as Ramtha, with teachings from the Bible, the findings of Dr. Masaru Emoto and others. Shawnah Skys philosophy, poems and guidance can help readers forge their own path, out of darkness and into the light.
