

# Bolingbrook does too have a History: Vol. 1

Bolingbrook, Illinois may be a relatively young village, having been incorporated in 1965, but it is a vibrant community with a rich and textured heritage dating back to the 1670s when French explorers first mingled with Native Americans while seeking trade routes from the Great Lakes to the oceans west and south. This book preserves and documents the history of the town and the surrounding area for future generations. This book was compiled by James D. Bingle and published by the Bolingbrook Historical Preservation Commission and was digitized for e-formats with permission by 54-40 Orphyte, Inc. Clippings contained herein are used under the fair use provisions of applicable copyright law.
