

Red Wine Required

Warning: The hilariously irreverent and profane material contained within this book is not appropriate for sensitive readers or anyone under 18. See the disclaimer below.

Where the hell is the red wine? That's exactly what thirty-year-old Carlie Michaels wants to know after discovering that Blanca Sanchez, her childhood friend-turned-nemesis, has achieved even more fame and glory just as Carlie's comfortably bland life begins a steep, red-wine and profanity-filled descent into hilarious chaos. Suddenly Carlie goes from an under-employed existence as a freelance writer in suburban Portland, Oregon, to red wine-fueled re-entry into L.A., where she finds herself managing Ben Gold, the lead singer of The Raging *sshholes and recovering addict, who also happens to be her younger brother otherwise known as the golden child. In the midst of dealing with her divorce; L.A. traffic; Patty, the psychotic feline; and a growing addiction to red wine and chocolate Pop Tarts, Carlie discovers Ben has his own baggage. The question soon becomes: can Carlie manage her brother's dangerously attractive bodyguard and his unhinged ex-girlfriend in need of a tinfoil hat, plus the bands groupies known as RAGs and someone who just might be out to kill her little brother? *Red Wine Required*, is unabashedly irreverent, highly profane, and possesses an Alice in Wonderland-esque procession of eccentric characters one won't soon forget.

DISCLAIMER: This book contains a sh*t-talking protagonist, a whole lot of attitude, satire and sarcasm, an obscene amount of profanity, a meandering/nonlinear storyline, graphic sex in the last twenty percent of the book, and a host of other elements some people will find highly offensive. It is NOT appropriate for small children, furry animals, teenagers, social and/or political conservatives, and anyone who reads

things purely to b*tch about them. You can find Sunday Winters and her penchant for profanity on her website www.rant-y-rant.weebly.com or on Twitter at twitter.com/sunday_winters. Originally published as Fat Girl, The Unauthorized Biography of Blanca Sanchez
