

The Adventures of KungFu Mike and the Magic Sunglasses: A Confession by Michael Boulерice

Remember that Halloween when you accidentally dressed up as an African American slave? What about the time you accidentally digested a piece of your dead father? The Adventures of KungFu Mike and the Magic Sunglasses is a collection of short stories, some of which are so hysterical they will make you laugh uncontrollably, and others so unfortunate theyll surely cause you to cringe or cry. This genre bending series of real life short stories blends tales of an ill fated adolescence with priceless details of an awkward pre-pubescence and other incredible experiences and recollections. If youre already a fan of David Sedaris, then youre definitely going to be a fan of Michael Boulерice. You wont look at life quite the same after reading this nonfiction narrative on life, love, friendship, and that feeling you get when you drink too much laxative tea.
