

## The Octopus: Secret Government and the Death of Danny Casolaro

Investigator Danny Casolaros 1991 death in a Martinsburg, West Virginia hotel opened the door to a world of conspiracy and intrigue that continues to haunt today's headlines. This fully revised and updated edition unveils the hidden political and technological realities behind the culture of contemporary global warfare. It contains photographs, illustrations, and new chapters on conspiracy in the death of Princess Diana, the suspicious death of coauthor Jim Keith, and the events of 9/11. A timely book, *The Octopus* is as harrowing as the best spy fiction — only it's real and it's happening now.
